Factory Repair. A professional body shop facility was used for the entire project, disassembling the body components and rendering to bare sheet metal. Some filler materials are apparent around the wheel wells and lower left and right quarters, but the body is otherwise original and very straight for its year. A base coat-clear coat paint process was applied in the Firethorn Red color. A factory hood and body ...

As you'd expect, free ebooks from Amazon are only available in Kindle format - users of other ebook readers will need to convert the files - and you must be logged into your Amazon account to download them.
