Diagram - In this column I'll show you how to compose
a UML diagram with the Revit program. The diagrams
are most likely the ideal method to communicate your
idea to other people and visually visualize exactly what
you are thinking about. You should first choose the sort
of UML diagram that you want to create.

The site itself is available in English, German, French,
Italian, and Portuguese, and the catalog includes books
in all languages. There's a heavy bias towards English-
