A tort, in common law jurisdiction, is a civil wrong (other than breach of contract) that causes a claimant to

suffer loss or harm, resulting in legal liability for the person who commits the tortious act. It can include intentional infliction of emotional distress, negligence, financial losses, injuries, invasion of privacy, and many other things. Tort - Wikipedia Revisionist History is Malcolm Gladwell's journey through the overlooked and the misunderstood. Every episode re-examines something from the past—an event, a person, an idea, even a song—and asks whether we got it right the first time. Revisionist History Podcast Historical revisionism is the means by which the historical record, the history of a society, as understood in its collective memory, continually integrates new facts and interpretations of the events that

are commonly understood as history. The historian and American Historical Association member James M. McPherson has said: . The fourteen-thousand members of this association, however, know

History must aspire, at least in part, to reconstruct a factually accurate past as surviving evidence permits. So understood, the historian's task is that of disciplined forensic verification and sensible inference. Legal history is replete with lessons in the risks of proceeding otherwise —and, in particular, of treating past events as received intellectual
