Advances In Psychoneuroimmunology Hans Selye Advances in Psychoneuroimmunology, the third volume of the Hans Selye Symposia on Neuroendocrinology and Stress, is the proceedings from an international conference held in Hungary (dates not given) to recognize scientists of Hungarian descent. The first three chapters (by Berczi, G.Jancso, and Berczi, respectively) describe the contributions of Hans Selye, the first modern scientist to recognize the interaction between the neuroendocrine and immune systems; Andor Szentivanyi, the first to ...
