

Animal Parasites And Human Disease

pdf free animal parasites and human disease manual pdf pdf file

Animal Parasites And Human Disease Also known as parasitic diarrhea, Giardia or Giardiasis is an infection that can affect both humans and animals. It is caused by a parasite called Giardia duodenalis and, as you may have suspected, has diarrhea as one of its main symptoms. Animal parasitic diseases - Animal
Wised While a few of them are totally dependent upon human hosts, and some are able to develop only in other animals, a majority of the parasites commonly referred to as "parasites of man" are in reality parasites of other animals. In the latter group are such familiar examples as Trichinella, found in rats and many other animals, including pigs; Balantidium and some lesser protozoa of pigs; Toxoplasma, which occurs in many wild and domesticated animals.
