Antidiscrimination Law and Social Equality | Yale ... To the contrary, Koppelman's book rests on the notion that state action is not necessary for social control -- that private institutions can exert enormous pressure on private action and belief: The central premise of Antidiscrimination Law and Social Equality is that the half-conscious assumptions of families, schools, churches, nonprofit organizations, newspaper editorials, movies, etc., generate

pervasive and powerful norms that stigmatize acts and beliefs. Antidiscrimination Law and Social Equality. - Free Online ... Antidiscrimination Law and Social Equality Many and perhaps most Americans readily endorse the following propositions. (1) Part of what defines a free society is that it is none of the government's business what citizens believe and that the shaping of citizens' beliefs is not a legitimate task of a liberal state. Antidiscrimination Law and Social Equality Equality and Discrimination Law in Australia: An Introduction adopts a groundbreaking approach in its delivery of equality and discrimination law principles. It analyses equality as a goal of the law, and acknowledges that to prevent discrimination modern laws must challenge the beliefs, practices, systems and structures that enable it.
