Characteristics, History, Artists Art Nouveau was a movement in the history of design. In architecture, Art Nouveau was more a kind of detail than it was a style. In graphic design, the movement helped to usher in new modernism. During the late 1800s, many European artists, graphic designers, and architects rebelled against formal, classical approaches to design. Art Nouveau Architecture and Design The World of Art style made less use of the vegetal and floral forms of French Art Nouveau; it drew heavily upon the bright colours and exotic designs of Russian folklore and fairy tales. The most influential contribution of the "World of Art" was the creation of a new ballet company, the Ballets Russes , headed by Diaghilev, with
