Jane Toerien reveals to us the subtle power of the bird kingdom. Birds offer much more to the planet than simply their beauty and song, and this new set reveals more of their mystical and transformation power. The characteristic energies of a further 66 birds from around the world are described, each bird coming alive visually with Joyce van Dobben's beautiful and symbolic illustrations. Paradise: The Transcendent Power of the Bird Kingdom Over the next year, 66 more birds were described, some well-known and some not so well-known. Joyce then took 5 years to illustrate them, a real labour of love. This is the second set of Bird Cards, published as Ascension to Paradise: the Transcendent Power of the Bird Kingdom. At the end of the second set is a Glossary, which covers almost all of the birds in the world.
