This backyard garden idea, the back to eden gardening method, is the perfect garden for first time gardeners! No weeding, no watering, just a high yield organic garden! The Back to Eden

gardening method is a way to garden that recreates nature's intended growing environment. It also meant that with just 2 hours of bed prep and planting time, we yielded over 1500 pounds of food in the fall!

Beginner's Guide to Back to Eden Gardening A Back to Eden Garden is simply another name for a deep mulch garden system. It is supposed to reduce weeding as well as replenish depleted soil with every passing year. The mulch decomposes over time, adding in beneficial nutrients to the soil. From what I've read, every year your garden gets better and better.

Again, the science of the Back to Eden Garden Method has to do with layers. So, since we start in the Spring, we lay down a layer of newspapers which helps kill the grass, and it composts into the garden. We choose to use newspapers because they are easy to cut through when we add our plants later. Back to Eden Garden - My Favorite Method - Deb and Danelle 17 reviews of Back To Eden Landscapes "Pete with Back to Eden landscaping did a good job with my backyard. He installed sod, top soil, border rocks, an automatic sprinkler system, a drain line, a patio, and a patio cover. It wasn't cheap, but then again you get what you pay for with his company and he gave estimates for everything. It has been several months since the job, and everything is fine.
