I was on the cyclor for a lil over 4 yrs and only had a handful of times where my alarm went off. A few times in where I rolled over and pinched my line shut. Another was low uf. But the frustrating one was where my alarm went off in the middle of the night and came to find out I needed a new machine. But baxter was amazing and sent me one the next day. I had a good experience on my machine. For other formatting issues, we've covered everything you need to convert ebooks.
