Beijing A Concise History Routledge Book Description. Stephen Haw sets out the history of the city of Beijing, charting the course of its development from its early roots before 2000 BC to its contemporary position as capital of the People's Republic of China. Haw, a well-established author on China, outlines the establishment of the earliest cities in the years before 1000 BC, its status as regional capital during most of the long Zhou dynasty, and its emergence as capital of the whole of China after the conquest of the ...
