... Black nationalism is a type of nationalism or pan-nationalism which espouses the belief that black people are a race and seeks to develop and maintain a black racial and national identity. Black nationalist activism revolves around social, political, and economic empowerment of black communities and people, especially to resist assimilation into white culture and maintain a distinct black identity. Black nationalism arose within the African American community in the United States. In the early 20th century Black nationalism - Wikipedia BLACK NATIONALISM This movement took place during the times of 1960's to early 70's. Martin Delany who was an African American abolitionist is referred to as the grandfather of this huge
