still life, a genre that once was more associated with the sixteenth- and seventeenth-century Old Masters than with contemporary art. The audacious still lifes celebrated here challenge that historical supremacy and redefine what it means to be a work of nature morte (literally translated from the French: “dead nature”). PixelScroll lists free Kindle eBooks every day that each includes their genre listing, synopsis, and cover. PixelScroll also lists all kinds of other free goodies like free music, videos, and apps.

.
