You can search Google Books for
any book or topic. In this case, let's
go with "Alice in Wonderland" since
it's a well-known book, and there's
probably a free eBook or two for
this title. The original work is in the

public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.
