The ethics of care theory believes that context can sometimes overrule justice and our universal code of conduct. This approach focuses more on the... What Is Ethics of Care? - Definition, Theory & Examples ... In presenting and defending this new approach to ethics,

care theorists have rejected the universalism, rationalism, and individualism of traditional theories. Instead of focusing upon the universal rights and obligations of individuals, care theorists have built their theory around relationships. The Ethics of Care BY Dr Laura D'Olimpio 16 MAY 2019. Ethics of care is a feminist approach to ethics. It challenges traditional moral theories as male centric and problematic to the extent they omit or downplay values and virtues usually culturally associated with women or with roles that are often cast as 'feminine'. The best example of this may be seen in how ethics of care differs from two dominant normative moral theories of the 18 th and 19 th century. Ethics explainer: Ethics of Care - The Ethics
