wiki.ctsnet.org The Test Acts were a series of English penal laws that served as a religious test for public office and imposed various civil disabilities on Roman Catholics and nonconformists. The underlying principle was that only people taking communion in the established Church of England were eligible for public employment, and the severe penalties pronounced against recusants, whether Catholic or nonconformist, were affirmations of this principle. In practice nonconformists were often exempted from some o Test Act - Wikipedia Newton's laws of motion are three
