Skaff Elias, Richard Garfield and K. Robert Gutschera
(all of the Magic: the Gathering fame) is a book on
game design and analysis based on their series of
lectures given at MIT. The book isn't a design manual,
or a How-To book on game tactics. Characteristics of
Games by George Skaff Elias It expertly, lucidly, and
concisely, lays the foundations for further study of
every single area in the structure of games. The style is
very friendly, open, and in no way stuffy or
condescending, despite the fact that the authors are
undoubtedly at the very top of their
field. Characteristics of Games: Amazon.co.uk: Elias,
