Where To Download Christian Human Rights Intellectual History Of The Modern Age

Christian Human Rights Intellectual History In Christian Human Rights, Samuel Moyn asserts that the rise of human rights after World War II was prefigured and inspired by a defense of the dignity of the human person that first arose in Christian churches and religious thought in the years just prior to the outbreak of the war. The Roman Catholic Church and transatlantic Protestant circles dominated the public discussion of the new principles in what became the last European golden age for the Christian faith.
