monitoring and evaluating the development of those. Clinical supervision in a competency-based era - Carol A ... Abstract. Although competency-based clinical supervision has been adopted in many international clinical training settings, acceptance has been variable with scholarly opinion outpacing actual practice. The transtheoretical molecular model, as articulated by Gonsalvez and Calvert (2014), offers a structure for advancing competency-based supervision and an important contribution, providing for definition of content and processes implicit in supervision practice. Competency-based Clinical Supervision: Status ... Clinical Supervision: A Competency -based Approach

## Read PDF Clinical Supervision A Competency Based Approach

Welcome, I'm Dr. Carol Falender and today we'll be talking about competency-based clinical supervision. I'm the co-author of several books on clinical supervision. Clinical Supervision: A Competency-based Approach Competency-based clinical supervision (Falender & Shafranske, 2004, 2007) was developed to enhance the quality and effectiveness of supervision by providing a systematic and comprehensive approach to assess and develop specific clinical and supervision competencies and to perform the inter-related functions of observation, evaluation, feedback, and gatekeeping. Copyright American Psychological Association Clinical supervisor competencies Clinical
