The constitution organises, distributes and regulates the power of a state. It can either be written down (codified) in one single document, such as The Constitution of the United States, or unwritten (uncodified) and found in a variety of sources, as is the case in the UK. Constitutional Law in the UK - Legal Guide The answer is in your hands. CONSTITUTIONAL AND ADMINISTRATIVE LAW

The Constitution provides for two houses of Congress: the House of Representatives and the Senate. The population of a state determines how many people it elects to the House of Representatives. Each state elects two Senators, so the Senate offers an equal playing field for small states and large states.
