Books Conversations with Breast
Cancer Patients: Revised Edition
... What are important
questions/conversations to be held
between patients and their care
team? [Patients] need to
understand what kind of cancer
they have. Is it estrogen-receptor
positive? Is it progesterone-
positive? Is it HER2-positive?
Anybody with metastatic breast
cancer should have a genetic test
no matter what age they were
diagnosed at. Important Patient-
Provider Conversations in the
