Everyday low prices and free delivery on eligible orders. Durkheim's Suicide: A Century of Research and Debate ... Le Suicide by French founding sociologist Émile Durkheim is a classic text in sociology that is widely taught to psychology students. Published in 1897, the book was the first to present a sociological study of suicide, and its conclusion that suicide can

have origins in social causes rather than just being due to individual temperament was groundbreaking at the time. The Study of Suicide by Emile Durkheim Suicide is an 1897 book written by French sociologist Émile Durkheim. It was the first methodological study of a social fact in the context of society. It is ostensibly a case study of suicide, a publication unique for its time that provided an example of what the sociological monograph should look like. According to Durkheim, the term suicide is applied to all cases of death resulting directly or indirectly from a positive or negative act of the victim himself, which he knows will produce this Suicide (Durkheim book) -
Wikipedia Durkheim published his third major work on
