Economy And Society Weber Economy and Society: An Outline of Interpretive Sociology is a book by political economist and sociologist Max Weber, published posthumously in Germany by his wife Marianne. Alongside *The Protestant Ethic and the Spirit of Capitalism*, it is considered to be one of Weber's most important works. Extremely broad in scope, the book covers numerous themes including religion, economics, politics, public administration, and sociology. A complete translation of the work was not published in English until *Economy and Society* - Wikipedia Max Weber's *Economy and Society* is the foundational text for the social sciences of the twentieth and twenty-first centuries, presenting a framework for understanding the relations among individual action, social action, economic action, and economic institutions. It also provides a classification of political forms based upon "systems of rule" and "rulership" that has shaped debate about the nature and role of charisma, tradition, legal authority, and bureaucracy. *Economy and Society: A New Translation*: Amazon.co.uk ... Max Weber's "Economy and Society" is the greatest sociological treatise written in this century. Published posthumously in Germany in the early 1920's, it has become a constitutive part of the modern sociological imagination. "Economy and Society" was the first strictly empirical comparison of social structures and normative orders in world-historical depth, containing the famous chapters on social action, religion, law, bureaucracy, charisma, the city, and the political community with its ... *Economy and Society* (2 Volume
