the care home, team or individual concerned. The management at your local care home will be available to help to resolve any issue. However, if you prefer to remain anonymous, or your issues are not resolved, please call the Sunrise Ethics Hotline on 0800 0328 483.

**Ethical Approach | Care Home** Here are some examples of the values and behaviours you might need to work in social care.

- Dignity and respect
- Learning and reflection – (thinking about what you do and why you do things in a certain way)
- Working together
- Commitment to quality care and support

Here are examples of how these values and behaviours might look in your everyday work. What values do I need to work in social care

Ethics refers to the guidelines for

conduct, that address question about morality. Value is defined as the principles and ideals, which helps them in making the judgement of what is more important. Ethics is a system of moral principles. In contrast to values, which is the stimuli of our thinking. Difference Between Ethics and Values - Key Differences The ethics of care (alternatively care ethics or EoC) is a normative ethical theory that holds that moral action centers on interpersonal relationships and care or benevolence as a virtue. EoC is one of a cluster of normative ethical theories that were developed by feminists in the second half of the twentieth century. Ethics of care - Wikipedia NHS values Patients, public and staff have helped develop this expression of values that inspire

passion in the NHS and that should underpin everything it does. Individual organisations will... The NHS Constitution for England - GOV.UK Examples of such values are 'Respect for human dignity and for individual and cultural diversity', 'Value for every human being, their beliefs, goals, preferences and needs', also 'Respect for human rights and self-determination'. Values and ethics - UKEssays.com About the Level 4 Ethics and Values in Social Care Certificate Strong ethics and values are essential to effective social work. In fact, in this profession they are probably the two most important factors to consider. Ethics & Values in Social Care Online Course | learndirect explains public health

ethics with reference to the longer-standing field of bioethics indicates in greater depth, the scope of public health ethics as a field of philosophical enquiry Public health ethics in practice - GOV.UK Ethics are a system of moral principles and a branch of philosophy which defines what is good for individuals and society. At its simplest, ethics is a system of moral principles. They affect how ... BBC - Ethics - Introduction to ethics: Ethics: a general ... Ethical behaviour comes from the values, beliefs, attitudes and knowledge that guide the judgements of each individual. Everyone in policing has to make difficult decisions and complex choices every day of the week. These range from how to talk to a distressed member of the public through to how to

allocate scarce resources. Code of Ethics - College of Policing One person's values may dictate that they feel an obligation to care for their aging parents themselves, while another feels their obligation is merely to ensure their parents have care – whether through in-home visits or via living in a care facility. Neither of these views is dictated by law and both could be considered ethical.
