Libby/Libby/Hodge believes in the building-block approach to teaching transaction analysis. Most faculty agree that mastery of the accounting cycle is critical to success in financial accounting. And yet all other financial books introduce and develop transaction analysis in one chapter, bombarding a student early in the course with an overload of new concepts and terms. The authors believe that most faculty take more time with the

accounting cycle, but other financial accounting textbooks ... Financial Accounting: Libby, Robert, Libby, Patricia ... Libby's distinctive focus company approach motivates students by involving them in the business decisions of a real company and engaging them with relevant real-world financial statements. The focus company in each chapter provides the perfect setting for discussing the importance of accounting, and how businesses use accounting information.
