Professional First aid is a way of preparing an individual to respond to emergency situations quickly. Administering first aid techniques before medical assistance arrives can be the difference between life ... First aid: Skills, recovery position, and CPR First aid is the first and immediate assistance given to any

person suffering from either a minor or serious illness or injury, with care provided to preserve life, prevent the condition from worsening, or to promote recovery.

You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.
