Frontiers In Major League Baseball The book develops the theory of DEA in the context of a production environment. A focal point is the assessment of technical and cost efficiency of MLB teams. It is shown that previous frontier applications that measure efficiency provide biased results given that the outcome of a game is zero-sum. Frontiers in Major League Baseball | SpringerLink “The Frontier League is honored to become a Partner League with Major League Baseball,” Lee said in a statement released by MLB. “This partnership will be beneficial in growing our great game of...
