... One of the central tenets of accounting is the principle of conservatism. According to this principle, when there is doubt about the amount of expected inflows and outflows, the organization must state the lowest possible revenue and the highest possible costs. Fundamental Principles of Accounting Fundamental Accounting Principles 20th Edition Solutions Manual is an interesting book. My concepts were clear after reading this book. All fundamentals are deeply explained with examples. I highly recommend this book to all students for step by step textbook solutions. Fundamental Accounting Principles 20th Edition
