Gynaecology Of Childhood And Adolescence Abstract. Here for the first time the physician interested in gynecologic problems in children and adolescents, be he pediatrician, gynecologist, general practitioner, or other specialist, can find most of the current thinking in this fast-developing field. This work of 574 pages is the most extensive book on the subject, and since 40% of the population in the United States is less than 18 years of age, it is quite timely.
