Partworks Introduction. The twentieth century will, without doubt, be viewed by historians as the Woman's Hour. A girl born in 1899, as my grandmother was, had little chance of evading the role that was ... BBC - History - British History in depth: 20th Century

... While the power of the monarchies of Great Britain has been massively curtailed compared to their medieval counterparts since well before the twentieth century, the importance of the king or queen in public life has been relegated to a figure of civic pride that has only the softest of political power. There has been an understanding that a king or queen only ruled with the consent of the people. British
