Curriki is grateful for the tremendous support of our sponsor, AT&T Foundation. Our Team Curriki Geometry would not be possible if not for the tremendous contributions of the content contributors, editors, and reviewing team. Janet Pinto, Lead Curriculum Developer & Curriki CAO

Sandy ... Pin by Point Pleasant Borough HS Medi on Math | Geometry ... My own experience with Honors high school math as a parent is disquieting. My older son was top of his grade in math in 5th grade, placed in a very fast math course for 6th grade (top 10% by state standardized testing), then put in supposedly fast-track Common Core math for 7th & 8th grade, which repeated a lot of the same content, especially in 7th. What's the Difference Between Honors and Regular Math ... For a high school project, students typically select their own project idea, conduct the experiment, and report the results without much parent or teacher aid. Most high school projects are based on the scientific method. It's common to propose and test a hypothesis. Projects with real-world applications are particularly welcome. Free High School Science Fair Projects - ThoughtCo Geometry Vocabulary. From elementary through high school, students will encounter academic vocabulary when learning geometry that is unique to this strand of mathematics.
