Read honest and unbiased product reviews from our users. Amazon.com: Customer reviews: How Anthropology Informs the ... For years, biological anthropologists have been weighing in with clear answers to basic orthodontic questions. Anthropologist Robert Corruccini wrote a book in 1999 that should be in every orthodontist's library: How anthropology informs the orthodontic diagnosis of malocclusion's causes . He gives compelling evidence that dental crowding is increasing in modern societies. Extractions, retention and stability: the search for ... How
