How to Kill Your Business in 6 Easy Steps. Mike Lynskey. It is a sad fact of life that most businesses that start up in the security industry fall flat on their noses at the first hurdle. This is usually at the two-year point, when the first tax bill arrives. How to Kill Your Business in 6 Easy Steps “Kill the Company” is a training exercise that prompts people to consider the standard question—“How can we beat the competition?”—and instead ask, “How can the competition beat us?” By putting yourself in the competition’s shoes and analyzing how to sink the company, you expose the things that are holding the company back—often the same things that are squashing employee engagement and innovation. Before You Innovate, You First

Must Kill Your Company ... Sometimes you need to focus on what needs fixing first. To do this, you can use a provocative exercise called Kill The Company. Here's how it works: gather your teams (include people of all levels and functions), and ask them a simple question: "Imagine that you're the competition. What would you do today to put us out of business?"
