Indigenous Peoples Of The Soviet The formation of the Soviet Union corresponded to a drastic restructuring of the lives of many of the indigenous peoples of Siberia. The Soviet vision was often not compatible with tribal life, and many changes were enacted upon the native framework. This process is often called "Sovietization." It is a type of acculturation using political influence. In the success of such a process, the result is neither total assimilation nor total acculturation. National groups have a political identity and Siberian minorities in the Soviet era - Wikipedia In the last few days of March 1990 indigenous peoples of the Russian Socialist Federal Soviet Republic met in the
