Law For Nurse Leaders A Law for Nurse Leaders; Double click on above image to view full picture. Read a Sample Chapter. Related Specialties. Nursing Education; ... Multiple case studies and legal analyses walk the reader through the varied scenarios nurse leaders will confront with staff and patient-related legal issues they will encounter on a regular basis. Law for Nurse Leaders - Springer Publishing This chapter examines how the law influences nursing. It begins by highlighting that the Nursing and Midwifery Council's Code, which sets out the standard for professional practice, is under-pinned by the law. The chapter then defines the term 'law' and considers how laws are made by looking at the role of Parliament and the courts. Chapter 1 Introduction to law in nursing In addition to their leadership responsibilities, nurse managers must have a solid understanding of current legal trends as they relate to patient care and staff. An overview is given on links between morality, ethics, and law; legal issues related to patient falls, documentation and physician communication; and legal issues related to managing of human resources.
