in this groundbreaking volume share their experience in transforming a major safety net public hospital after a tragic and internationally publicized event. Lean Behavioral Health on Apple Books Abstract. As the largest public healthcare system in the United States, the New York City Health & Hospitals Corporation adopted the principles of the Toyota Production System, or lean, as the transformational approach for all of its hospitals and clinics. Having made major changes, and scrutinized by the Department of Justice on its quality of patient care, Kings County Hospital Center is now recognized as a standard for transformation and quality, receiving high marks from oversight agencies. Lean Behavioral Health: The Kings

Health: The Kings County Hospital Story ... "Lean Behavioral Health is a compelling story of deep change told by the people who led and lived the transformation. It describes how the behavioral health division of Kings County Hospital, a public hospital within the vast New York Health and Hospital Corporation 'safety net' system, pulled itself out of crisis by learning to apply lean improvement methods to its broken systems and waste-laden processes.
