based on the specific circumstances of a given resident. Long-Term Care Clinical Assessment and Documentation Cheat ... This guideline covers optimising care for adults with multimorbidity (multiple long-term conditions) by reducing treatment burden (polypharmacy and multiple appointments) and unplanned care. It aims to improve quality of life by promoting shared decisions based on what is important to each person in terms of treatments, health priorities, lifestyle and goals. Overview | Multimorbidity: clinical assessment and ... If you need long-term complex clinical care, your needs will be assessed based on one question – can your care needs be properly met in a setting other than hospital? If the answer is no, the NHS will fully fund your care but only in a hospital. If the answer is yes, the NHS won't fund the non-healthcare aspects of your care. Am I eligible for NHS continuing healthcare funding ... A decision about eligibility for a full assessment for NHS continuing healthcare should usually be made within 28 days of an initial assessment or request for a full assessment. If you aren't eligible for NHS continuing healthcare, you can be referred to your local council who can discuss with you whether you may be eligible for support from them. NHS continuing healthcare - NHS Urgent care services include a phone consultation through the NHS111 Clinical Assessment Service, pharmacy advice, out-of-hours GP appointments, and/or referral to an urgent treatment centre (UTC). If unsure what service is needed, NHS111 can help to assess and direct to the appropriate service/s.
