world's largest community for readers. The world's financial system is crazier and even more out of control than it was... Mad Money: When Markets Outgrow Governments by Susan Strange The world's financial system is crazier and even more out of control than it was ten years ago. Mad Money analyzes the erratic nature of change and innovation in financial business in recent years and discusses the weak points--political as well as economic and technical--of a system driven more by volatile markets than by governments. The central issue is global finance; "mad money" is how ... Mad Money: When Markets Outgrow Governments - Susan ... Mad Money: When Markets Outgrow Governments Jun 11, 2020
