Everyday low prices and free delivery on eligible orders. Marrow of Tragedy: The Health Crisis of the American Civil ... Marrow of Tragedy brings together an enormous body of research to consider the million-plus bodies that did not survive the Civil War. Margaret Humphreys's scholarly synthesis of the people, pathogens, and politics that wreaked havoc on soldiers beholds the terrible physical and psychological consequences of loss prior to wide acceptance of the germ theory. Margaret Humphreys. Marrow of Tragedy: The Health Crisis ... Margaret Humphreys,

concludes Marrow of Tragedy with two chapters on the public health legacy and medicine in post-war era. The war “energized and educated physicians and the ruling classes to improve the health of the American population through sanitary measures.” [288] The USSC vision of a national public health policy was not sustained, though the military model of medical efficiency was.
