great job at pulling together everything you'll see on the PE Mechanical exam. The format of the 12th edition is better than the 11th. The 11th included extra problems at the end of each chapter. Though this is helpful for studying, it clutters up the book and adds extra pages to thumb through during the exam. Mechanical Engineering Reference Manual: for the PE exam ... As the most comprehensive reference and study guide available for engineers preparing for the breadth-and-depth mechanical PE examination, the twelfth edition of the Mechanical Engineering Reference Manual provides a concentrated review of the exam topics.. Thousands of important equations and methods are shown and explained throughout the
