Download Medicinal Cannibalism In Early

Modern English ... The subject of medicinal cannibalism in mainstream western medicine has received surprisingly little historical attention. This paper argues that this phenomenon, far from being as marginal as its neglected status might imply, was closely integrated with many underlying medical theories in the early modern period. 'Good Physic but Bad Food': Early Modern Attitudes to ... Noble's new book, Medicinal Cannibalism in Early Modern English Literature and Culture, and another by Richard Sugg of England's University of Durham, Mummies, Cannibals and Vampires: The ... The Gruesome History of Eating Corpses as Medicine ... According to a new book Medicinal Cannibalism in Early Modern English

Literature and Culture, by Louise Noble, many Europeans - from royalty to scientists - routinely ate remedies containing human... Europeans saw nothing wrong with cannibalism until the ... Louise Noble's Medicinal Cannibalism in Early Modern English Literature and Culture is a rich and fascinating study of the early modern investment in the healing power of the human body. Noble's primary focus is corpse pharmacology, the surprisingly commonplace practice of ingesting corporeal matter for therapeutic purposes. Medicinal Cannibalism in Early Modern English Literature ... Even here, though, Montaigne was equating New World cannibalism with the cruelty of the French Wars of Religion - which involved extensive

torture of civilians and atrocities like the St. Bartholomew's Day Massacre – and not with the medicinal cannibalism that was going on all around him. Strangely, even the shrewd Montaigne seems to miss the obvious equivalences to be drawn between ritualistic cannibalism of the sort practiced in Mesoamerica and early modern European's consumption of ... Medicinal Cannibalism in Early Modern English Literature ... "Medicinal Cannibalism in Early Modern English Literature and Culture is one of those rare books that transforms one's understanding of cultural history. Its originality lies in the way it systematically opens up the bizarre contradiction in early modern attitudes to cannibalism, which enabled the extreme horror of anthropagous violence that ...
