Medicine And Society In Early Modern Europe offers students a concise introduction to health and healing in Europe from 1500 to 1800. Bringing together the best recent research in the field, Mary Lindemann examines medicine from a social and cultural perspective, rather than a narrowly scientific one. Drawing on medical anthropology, sociology, and ethics as well as cultural and social history, she focuses on the experience of illness and on patients and folk healers as much as on the rise ... Use the link below to share a full-text version of this article with your friends and colleagues. Learn more. *Medicine and Society in Early Modern Europe* – By Mary ... One of Lindemann's most important arguments is that this was a society in which popular and elite medicine, or learned and traditional or folk, rubbed shoulders. Lindemann comments that 'medieval

promiscuity characterized early modern people. They often, perhaps even usually, consulted several practitioners serially and concurrently' (p. 241). *Medicine and Society in Early Modern Europe*, by Mary ... *Medicine and Society in Early Modern Europe*. *Medicine and Society in Early Modern Europe*, in the highly successful series of *New Approaches*, offers undergraduate students a concise introduction to a subject rich in historical excitement and interest. modern medicine. This perception informs the following discussion of sickness and health. I do not intend to imply, however, that there was no conflict and no diversity within the world of early modern medicine (conflict was bitter and

endemic). *Medicine and Society in Early Modern Europe* Overall,

Medicine and Society in Early

Modern Europe fills an important

gap: it summarizes and evaluates the last twenty-five years of

scholarship in a lively and critical way while providing students in a

variety of fields a detailed summary of many of the insights and

conclusions which this scholarship has accrued. ENDNOTES
