Collective Memory in a New Media Age ... 'On Media Memory studies media memory from the perspective of collectivememory, which is considered as 'an inherently mediated phenomenon' (p. 3). While this insight is not new, the book sets out and succeeds to provide refreshing perspectives on the multi-faced and complex nature of media memory, and to pose new questions that result both from recent developments (e.g. the impact of mobile digital media on the nature, process and changes in media memory) and changing insights into meaning ... On Media Memory (Palgrave Macmillan Memory Studies ... Hence, Media Memory – the systematic exploration of collective pasts that are narrated by the media, through

Collective memory refers to the shared pool of memories, knowledge and information of a social group that is significantly associated with the group's identity. The English phrase "collective memory" and the equivalent French phrase "la mémoire collective" appeared in the second half of the nineteenth century. The philosopher and sociologist Maurice Halbwachs analyzed and advanced the concept of the collective memory in the book "Les cadres sociaux de la mémoire". Collective memory can be ...
