Pexto Metal Shear Model 137 Purpose: Similar to a pair of scissors, this machine uses a blade to slice thinner material to size. Material is slid into position under the blade and when the yellow lever is pressed, the blade a... Pexto 137-K Foot Shear | UC Berkeley Mechanical Engineering I just got a Pexto 137-H shear built in 1947. The shear is in great condition and the blade is near-perfect. On the data plate, it states that it is rated for 18 gauge soft metal. It's dimensions and appearance are the same as the "K" and "L" models. Pexto 137-H shear from 1947 - Practical Machinist This listing is for a Pexto Model No. 137

Shear, 18 Gauge. I am selling this for a friend. The first pictures are from when he bought this Shear at an auction 11/16/2019. The Shear was kept inside a warehouse before the auction and then brought outside for the auction. Pexto Model No. 137 Shear, 18 Gauge | eBay So I have a model 137 Pexto shear, but It's in need of some desperate tlc. I'm just beginning my research, but I wanted to ask those more experienced with these older items for some direction. Unfortunately, from years of neglect and sitting in the shop its more difficulty identifiable. The blade is 37 inches. It shears; however, it does not spring back upwards. I believe it could be either ... Pexto model 137 information - Practical Machinist PEXTO metal
