managing projects, let us know and we'll be happy to consider it for publication. Case Studies - Project Management Your primary purpose in conducting a case study is to come up with a solution. It can be through a product that your team or sponsor produces. However, you should watch out how you will present your claim. You should focus more on providing a real solution than the sponsor's products. 13+ Project Case Study Examples & Templates - PDF | Examples Case Studies - The Digital Project Manager Learn from PMs running real projects— these project management case studies provide a rare glimpse into real projects, with detailed metrics and processes.
