Reclaiming Civility In The Public Overview. Our book, Reclaiming Civility in the Public Square – 10 Rules That Work , is a user-friendly guide to how civility in the governing process is possible. Each rule is illustrated with a true life story. These stories not only demonstrate how the rule works, but also give evidence that while “civility in government” may sound like an oxymoron to some, there are examples to be found showing civility to be alive and well in the political sphere.
