combination with data collected through household surveys, focus group discussions and key informant interviews. Majority of the farmers (56%) indicated that weather forecasts using IK were more reliable and specific to their location compared to scientific forecasts. Integrating indigenous knowledge with scientific seasonal ... While seasonal climate forecasting information can provide insight, other information should also be considered to make a rounded decision. Agricultural producers continue to recognise the importance of better understanding the climate drivers and the effect they have on rainfall and temperature in their districts. Seasonal climate forecasting for farm decision making ... Wechat.

Abstract. We describe a new effort to enhance climate forecast relevance and usability through the development of a system for evaluating and displaying real-time subseasonal to seasonal (S2S) climate forecasts on a watershed scale. Water managers may not use climate forecasts to their full potential due to perceived low skill, mismatched spatial and temporal resolutions, or lack of knowledge or tools to ingest data. Developing Subseasonal to Seasonal Climate Forecast ... How does a decision-maker managing an agricultural or natural ecosystem modify decisions in response to a skillful, but imprecise, seasonal climate forecast? Using Australian experience as a basis, this book focuses on these questions in pursuing means to

better manage climate risks. Applications of Seasonal Climate Forecasting in ... Climate Forecasting and Its Uses This chapter examines recent and expected developments in the scientific capability to make seasonal-to-interannual climate forecasts and discusses the types of forecasts that are likely to be socially useful. 2 Climate Forecasting and Its Uses | Making Climate ... Seasonal and inter-annual climate forecasting: The new tool for increasing preparedness to climate variability and change in agricultural planning and operations. (2004). Seeing through the 'good farmer's' eyes: Towards developing an understanding of the social symbolic value of 'productivist' behaviour.&quot; Seasonal Climate

Forecasts and Risk Management Among ... Climate situation and outlook. See the Seasonal climate outlook newsletter for a full set of situation and forecast information. Soil moisture is very low in most areas, and ground cover in many stubble paddocks and most pastures in the south west mean that the wind erosion risk over summer is high.
