pdf free security and global governmentality globalization governance and the state prio new security studies manual pdf pdf file

Security And Global Governmentality Globalization This book examines global governance through Foucaultian notions of governmentality and security, as well as the complex intersections between the two. The volume explores how Foucault's understanding of the general economy of power in modern society allows us to consider the connection of two broad possible dynamics: the global governmentalization of security and the securitization of global governance.
