Everyday low prices and free delivery on eligible orders. Show Me the Numbers: Designing Tables and Graphs to ... Show Me the Numbers: Designing Tables and Graphs to Enlighten is the most accessible, practical, and comprehensive guide to table and graph design available. The second edition of Show Me the Numbers improves on the first by polishing the content throughout (including updated figures) and adding 91 more pages of content, including: 1) A new preface; 2) A new chapter entitled "Silly Graphs That Are Best Forsaken," which alerts readers to some of the current misuses of graphs such as donut ... Show Me the Numbers: Designing Tables and Graphs to ... Few describes Show Me the Numbers as an introduction to making good, informative charts and graphs. Personally, I believe Few's charts and graphs are as informative as any that Tufte recommends. But Few goes into the nuts and bolts details, while Tufte generally shows examples and discusses the charts and graphs the same way an artist might discuss exhibits in an art museum. Show Me the Numbers: Designing Tables and Graphs to ... I wrote the book, Show Me the Numbers: Designing Tables and Graphs to Enlighten, published by Analytics Press in 2004, to help business people like you respond to the challenges that you face every day when presenting quantitative information. Show Me the Numbers - University of Washington Show Me the Numbers:

Designing Tables and Graphs to Enlighten, Second Edition, Stephen Few, \$45.00 MSRP, June 2012, Analytics Press. (Table of Contents) Most presentations of quantitative information are poorly designed—painfully so, often to the point of misinformation. This problem, however, is rarely noticed and even more rarely addressed. Stephen Few - Show Me the Numbers "Show Me the Numbers" is rare and special. It is a practical and commonsense guide that you can use in your business today and every day. Stephen Few grounds his principles in the work of Edward R. Tufte and others, extends them to comprehensively address the needs of business, and then applies them to hundreds of examples drawn from his own experience. Show Me the Numbers: Designing Tables and Graphs to ... Based on the book Show Me the Numbers: Designing Tables and Graphs to Enlighten by Stephen Few, this course provides an in-depth introduction to the best practices of quantitative data presentation. This course alleviates countless hours of confusion and frustration.
