Manual V6.0 of Rifle and Handgun Reloading Data. The development of this reloading manual app has brought exciting, new changes. Many new Sierra bullets have been added, with new cartridge types and powders. Sierra built its own Pressure Testing Lab to quantify the new load... Sierra Reloading Manual v6.0 on the App Store The reloading section displays load data and powder selection for a single given velocity at a time. Interestingly, you can adjust the velocity using a sliding scale near the bottom of the app window. I like that feature, but it limits you to viewing load data and powder selections to the specific velocity you have selected. You cannot see the load data for a range of velocities at the same time.
